Twist & Lock Hose

36" Fin Disc

## Key Product Features & Benefits

### Quiet Diaphragm Technology

The Zodiac cassette diaphragm is the single moving part providing whisper quiet operation. It is easily accessible by the quick-release cassette housing for self-maintenance.

### Cleans Floor and Partial Walls

The Zodiac G3 removes most small leaves, sand and silt while covering pool floor and partial walls.

### Simple and Easy Design

Supplied with Patented Twist & Lock hose, the Zodiac G3 is quick and easy to install.

### Wheel Deflector

The Zodiac G3 comes with an adjustable wheel deflector making it suitable for above ground pools. Simply clip onto hose.

Zodiac lives in the backyards of Australian families, at home in the pool. Zodiac began and continues with a dedication to innovation and new product development, focused on ensuring a better way of life. Our products deliver solutions to take the hassle out of owning a pool. So, all that's left is for you to enjoy it; to enjoy a better life.
